<div><i>Children's Book Awards Annual</i> Millbrook Press (Tm) For Davita Chandal, growing up in New York in the 1930s and '40s is an experience of indescribable joy—and unfathomable sadness. Her loving parents, both fervent radicals, fill her with the fiercely bright hope for a new, better world. But the deprivations of war and the Depression take their ruthless toll. And Davita, unexpectedly, finds in the Jewish faith that her mother had long ago abandoned both a solace to her questioning inner pain and a test of her budding spirit of independence. To her, life's elusive possibilities for happiness, for fulfillment, for decency, become as real and resonant as the music of the small harp that hangs on her door, welcoming all guests with its sweet, gentle tones. Praise for Davita's Harp “Rich . . . enchanting . . . [Chaim] Potok's bravest book.”—The New York Times Book Review “It is an enormous pleasure to sink into such a rich . . . solidly written novel. The reader knows from the first few pages that he is in the hands of a sure professional who won't let him down.”—People “Engrossing . . . Filled with a host of richly drawn characters. Potok is a master storyteller.”—Chicago Tribune “Gripping and intriguing . . . A well-told tale that needed telling.”—The Philadelphia Inquirer <i>For Younger Readers</i> Scholastic Inc. In 1942, blonde and blue-eyed Milada is taken from her home in Czechoslovakia to a school in Poland to be trained as "a proper German" for adoption by a German family, but all the while she remembers her true name and history. <u>Muhammad LP</u> Harper Collins In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation. The Darkest Hour McDougal Littel First publication of the complete plays of Chaim Potok. With the exception of the <i>The Chosen</i>, none have been previously available. <i>Jewish American Literature</i> Holt McDougal From the author of the National Book Award finalist <i>Black Leopard, Red Wolf</i> and the WINNER of the 2015 Man Booker Prize for <i>A Brief History of Seven Killings</i> "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, <i>The Book of Night Women</i> rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith,</div>	<div>born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft. <i>King of the Wind</i> Scholastic Inc. “Extraordinary . . . No one but Chaim Potok could have written this strangely sweet, compelling, and deeply felt novel.”—The Cleveland Plain Dealer In his powerful <i>My Name is Asher Lev</i>, Chaim Potok gave the world an unforgettable character and a timeless story that The New York Times Book Review hailed as “little short of a work of genius.” The Chicago Sun-Times declared it “a story that had to be told.” Now, Chaim Potok’s beloved character returns to learn, to teach, to dream, in <i>The Gift of Asher Lev</i>. Twenty years have passed. Asher Lev is a world-renowned artist living with his young family in France. Still, he is unsure of his artistic direction. Success has not brought ease to his heart. Then Asher’s beloved uncle dies suddenly, and Asher and his family rush back to Brooklyn—and into a world that Asher thought he had left behind forever. It is a journey of confrontation and discovery as Asher purges his past in search of new inspiration for his art and begins to understand the true meaning of sacrifice and the painful joy in sharing the most precious gift of all. Praise for <i>The Gift of Asher Lev</i> “A masterwork.”—Newsday “Rivals anything Chaim Potok has ever produced. It is a book written with passion about passion. You’re not likely to read anything better this year.”—The Detroit News “Fascinating.”—The Washington Post Book World “Very moving.”—The Philadelphia Inquirer Ruby Red Penguin This text provides details on awards including the Belpre, Boston Globe-Horn Book, the National Book Awards, and BCCB Blue Ribbons. Upon his heel was a small white spot, the symbol of speed. But on his chest was the symbol of misfortune. Although he was swift as the desert winds, Sham’s pedigree would be scorned all his life by cruel masters and owners. This is the classic story of Sham and his friend, the stable boy Agba. Their adventures take them from the sands of the Sahara to the royal courts of France, and finally to the green pastures and stately homes of England. For Sham was the renowned Godolphin Arabian, whose blood flows through the veins of almost every superior thoroughbred. Sham’s speed—like his story—has become legendary. Beginning with the stories of family rivalry in Genesis and working through a host of other biblical texts, Joel Kaminsky explores the dynamics of election: Why does God favor certain people?
