A delightfully illustrated cult novel, literary satire and epic adventure. 'Within the first 15 pages I was carried away by the sheer craziness of it all. Some Minipirates find a baby bear with blue fur inside a walnut shell floating on the ocean towards a giant whirlpool. They rescue him and teach him about knots and waves, and that a good white lie is often considerably more exciting than the truth. Then, when he outgrows their ship to such an extent that he is in danger of sinking it, they abandon him on an island with a bottle of seaweed juice and a loaf of seaweed bread. Thus Bluebear comes to the end of his first life and embarks on his second. By the end of the book, he has expended exactly half of his 27 lives. Again and again, Moers confounds our expectations as the narrative twists and turns, travels backwards and forwards in time. Part science fiction, part fairy tale, part myth, part epic, the book is a satire on all these genres and so constantly satirises itself. Very amusing' - Daily Telegraph

Set during the height of World War II, a powerful and unsettling tale about a woodcutter and his wife, who finds a mysterious parcel thrown from a passing train. Once upon a time in an enormous forest lived a woodcutter and his wife. The woodcutter is very poor and a war rages around them, making it difficult for them to put food on the table. Yet every night, his wife prays for a child. A Jewish father rides on a train holding twin babies. His wife no longer has enough milk to feed both children. In hopes of saving them both, he wraps his daughter in a shawl and throws her into the forest.

“The Alienist set in eighteenth-century Stockholm: Brawny, bloody, intricate, enthralling—and the best historical thriller I’ve read in twenty years.” —A.J. Finn, #1 bestselling author of *The Woman in the Window* “Thrilling, unnerving, clever, and beautiful.” —Fredrik Backman, #1 bestselling author of *A Man Called Ove* “Chilling and thought-provoking. Relentless, well-written, and nearly impossible to put down.” —Kirkus Reviews (starred review) One morning in the autumn of 1793, watchman Mikel Cardell is awakened from his drunken slumber with reports of a body seen floating in the Larder, once a pristine lake on Stockholm’s Southern Isle, now a rancid bog. Efforts to identify the bizarrely mutilated corpse are entrusted to incorruptible lawyer Cecil Winge, who enlists Cardell’s help to solve the case. But time is short: Winge’s health is failing, the monarchy is in shambles, and

whispered conspiracies and paranoia abound. Winge and Cardell become immersed in a brutal world of guttersnipes and thieves, mercenaries and madams. From a farmer’s son who is lead down a treacherous path when he seeks his fortune in the capital to an orphan girl consigned to the workhouse by a pitiless parish priest, their investigation peels back layer upon layer of the city’s labyrinthine society. The rich and the poor, the pious and the fallen, the living and the dead—all collide and interconnect with the body pulled from the lake. Breathtakingly bold and intricately constructed, *The Wolf and the Watchman* brings to life the crowded streets, gilded palaces, and dark corners of late-eighteenth-century Stockholm, offering a startling vision of the crimes we commit in the name of justice, and the sacrifices we make in order to survive.
