The Summer quarter focuses on justice as presented in the New Testament: a primary characteristic of God's nature. As followers of Jesus we are called to imitate God's just and merciful

nature through our actions toward others, including our enemies. The Summer quarter of study seeks to answer the following questions: How can we avoid being judgmental? What motivates true and just generosity? And, what makes for living justly in the world? Summer Theme: Justice (Matthew, Luke, Romans, 2 Corinthians, and Colossians) Bible Lessons for Youth is a

There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news—but what can we do about it? And how can we find peace amid the

chaos? We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. It can be difficult to find a way forward, trusting that God will protect and care for us amid the struggles of life. In this updated edition of *Escape the Coming Night*, Dr. Jeremiah

walks through the perfect Scriptures for these uncertain times, exploring *The Book of Revelation* in a practical way. For those who have wanted to know more about *Book of Revelation* but didn't know how to get started, the book answers key questions like: How do we explain so much continuous chaos? How do we live with such turmoil? Is there any hope for peace in our

lifetime? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions.

This exploration of *Revelation* is shocking and eye-opening, but also consistently uplifting—and a vital message for our time.

book of Genesis. Emphasizes understanding the text with practical applications. Intended to be helpful to all Christians, including teachers and preachers, while avoiding an emphasis on technical issues. Written from the perspective of faith in the Bible as the absolute, inerrant, verbally inspired word of God. Comments include discussion of these topics: * Are Bible accounts of

creation and the flood literal history? * Can organic or theistic evolution be harmonized with Scripture? * Are the days of Genesis 1 literal or symbols of long ages? * Were Adam and Eve the first man and woman? * How did sin and death enter the world? * Was Noah's flood worldwide or local? * What promises did God make to Abraham, Isaac, and Jacob about the nation of Israel? * How

did Joseph interpret Pharaoh's dreams and save his family in Egypt? **Leviticus** Createspace Independent Publishing Platform At first glance, it appears that social justice and Christianity have a lot in common. They seem to share a few mutual concerns: they're both opposed to bigotry, racism, and oppression; they are mutually concerned for the needy, the afflicted, and

the less fortunate within society; and they both seek to resolve conflict as they aspire after unity and peace. And with these shared concerns, it is tempting for Christians to buy into the validity of social justice. But as Jeffrey D. Johnson clearly and succinctly explains in just a few short chapters, social justice is incompatible with Christianity. Johnson takes

us through the history of social justice and helps us understand its complex issues. This is a brief, to-the-point handbook every Christian should read to understand how contemporary definitions of social justice differ from what the Bible teaches about justice and how social justice seeks to destroy individual rights and the authority of the nuclear family and the conservative church.

Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light

on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory.

It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God. [Catalog of Copyright Entries. The Ancient Book of Jasher is the only one of the 13 that still exists. It is referenced in Joshua 10:13; 2 Samuel 1:18; and 2

Timothy 3:8. This volume contains the entire 91 chapters plus a detailed analysis of the supposed discrepancies, cross-referenced historical accounts, and detailed charts for ease of use. As with any history book there are typographical errors in the text but with three consecutive timelines running through the histories it is very easy to arrive at the exact dates of recorded

events. It is not surprising that this ancient document confirms the Scripture and the chronology given in the Hebrew version of the Old Testament, once and for all settling the chronology differences between the Hebrew Old Testament and the Greek Septuagint.  Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives.

Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our

homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are

building your marriage, training your children, and creating a haven for your family.

Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

The Bible Challenge

Enduring Word Media Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to

figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants.

Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: - Why study bible prophecy? - What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture. *Grace, Faith, and Obedience* Routledge A lighthearted analysis of modern pop culture considers what lessons can be learned from today's movies, music, television, and more, exploring how its popularity and successes reflect today's society.
