Pretty Little Liars TV Tie-in Edition

HarperCollins Get ready to delve into the world of teen influencers like you've never done before--from the #1 New York Times bestselling author of *PRETTY LITTLE LIARS* Sara Shepard and

eighteen-year-old actress and social media personality Lilia Buckingham comes a twisty mystery that takes place in the fiercely competitive world of Internet stars. After a video she makes goes viral, everyone knows Delilah Rollins. And now that she's in LA, Delilah's standing on the edge of something incredible. Everything is going to change. She has no idea how much.

Jasmine Walters-Diaz grew up in the spotlight. A child star turned media darling, the posts of her in her classic Lulu C. rainbow skirt practically break the Internet. But if the world knew who Jasmine really was, her perfect life? Canceled. Fiona Jacobs is so funny--the kind of girl for whom a crowd parts--no wonder she's always smiling! But on the inside? The girl's a hot mess. And when

someone comes out of the shadows with a secret from her past, it's one that won't just embarrass Fiona: it will ruin her. Who wouldn't want to be Scarlet Leigh? Just look at her Instagram. Scarlet isn't just styled to perfection: she is perfection. Scarlet has a gorgeous, famous boyfriend named Jack and there's a whole fanbase about their ship. To everyone watching online, their

lives seem perfect . . . but are they really? The sun is hot in California . . . and someone's going to get burned. *The Amateurs* Turtleback Books #1 New York Times bestselling series The tenth book in the #1 New York Times bestselling series that inspired the hit ABC Family TV show *Pretty Little Liars*. Four little liars are at it again. Aria's love life is on the Fitz—ahem,

fritz. Emily's exploring her wild side. Hanna's kissing the enemy. And someone from Spencer's past—someone she never thought she'd see again—is back to haunt her. But none of that compares to what these pretty little liars did on their last spring break. It's their darkest secret yet. And guess who else knows? Full of unexpected twists and shocking revelations, Ruthless is the tenth book in

New York Times bestselling author Sara Shepard's compelling Pretty Little Liars series. *Chain Reaction* Simon and Schuster Depicting with humor and insight the pressure to be outwardly perfect, this novel for ages 10-13 shows how one girl develops compassion for her own and others' imperfections. For 13-year-old Isabelle Lee, whose father has recently died, everything's

normal on the outside. Isabelle describes the scene at school with bemused accuracy--the self-important (but really not bad) English teacher, the boy that is constantly fixated on Ashley Barnum, the prettiest girl in class, and the dynamics of the lunchroom, where tables are turf in a all-eyes-open awareness of everybody's relative social position. But everything is not normal, really. Since

the death of her father, Isabelle's family has only functioned on the surface. Her mother, who used to take care of herself, now wears only lumpy, ill-fitting clothes, cries all night, and has taken every picture of her dead husband and put them under her bed. Isabelle tries to make light of this, but the underlying tension is expressed in overeating and then binging. As the novel opens,

Isabelle's little sister, April, has told their mother about Isabelle's problem. Isabelle is enrolled in group therapy. Who should show up there, too, but Ashley Barnum, the prettiest, most together girl in class.

bestselling author) The Elizas weaves a compelling novel that follows a young woman as she explores how much our genetics influence our future. Summer Davis's deep love for science is the only thing that helps her get through her turbulent journey from adolescent to adulthood. Her mother has abandoned her family, her father's mental illness has overwhelmed

him, and her older brother fluctuates between sudden rage and unpredictable tenderness. Summer can't help but question the role of genetics in her life and if she is destined to continue her family's legacy of mental instability. But when she decides to put off a promising science career to take care of her great-aunt Stella—the bedrock of the family and bastion of

folksy wisdom, irreverent insight, and Sinatra memorabilia in a less-than-scenic part of the Pennsylvanian countryside—he begins to learn that maybe her DNA doesn't have to define her and that her future belongs to her alone. From the backwoods of Pennsylvania to the brownstones of Brooklyn Heights, TheVISIBLES investigates the secrets of the past, and the hidden corners of our

own hearts, to find out whether real happiness is a gift or a choice.

Pretty Little Liars Bind-up #2 Simon and Schuster In picturesque Rosewood, Pennsylvania, neighbors gossip over picket fences, and gleaming SUVs sit in every crushed-granite driveway. But recently, friendly smiles have been replaced with suspicious glares and accusatory

whispers—and it's all because Hanna, Aria, Emily, and Spencer just can't keep their mouths shut. . . . First they claimed they found a dead body in the woods behind Spencer's house, only to have it vanish without a trace. Then when the same woods went up in flames, they swore they saw someone who's supposed to be dead rise from the ashes. And even after all that, the

pretty little liars are still playing with fire. Hanna's trading in her Dior trench for a straitjacket. Aria's trying to contact the dead. Emily's dumped her boyfriend and is skipping town . . . again. And Spencer thinks someone in her family has gotten away with murder. The friends insist they're telling the truth about what they saw, but all of Rosewood thinks they're simply out for attention—and nobody likes a
