All that will change when she has to ask him for a job after her father cuts her off. Derek Stall lives on the streets by choice—not circumstance. Memories of what he did under order sometimes haunt him, other times give him the strength to move through one more day until he can finish the mission he started. A chance meeting between Dana and Derek will lead to an unlikely friendship that might just save his life, but the drastic differences between them could be the dividing wedge that keeps them apart. When Derek feels he has to leave Rise Again Warrior to complete his mission, he begins to realize that he could be leaving behind more than just a few friends. Could he be leaving behind the possibility of a healthy future before he finally accepts his past? The idea of a warrior who shouts his warfare is unusual, but the idea of warriors shouting for victory has a sound basis in God's Word. Shouting for victory is a powerful weapon in fighting the good fight of faith. This book will probably not resonate with you if you do not know Jesus as your Lord and Savior. But I firmly believe that if you'll read it anyway and relax your tendency toward unbelief, you will find the Savior that your heart craves; for He is here and ready to receive you.
